## Now for the really important stuff

Please read this advice to students from Defense Training International.

A. Be sure to bring with you:

1. The required number of rounds of pistol ammunition (**400**). **You cannot buy in Elk Mountain or for 50 miles around.**
2. At least two extra magazines or speed loaders.
3. Safety glasses and hearing protection.
4. A sturdy leather or nylon belt and a high quality concealable belt holster.
5. Magazines/speed loader carriers.
6. A baseball cap.
7. A gun bag or box.

B. Our work will focus on shooting from a concealed draw. Please make sure your equipment is genuinely concealable and suitable for continuous daily wear.

C. We accept most modern pistols and revolvers of reputable manufacture. 380 Auto, 9mm, 38 Spl, 357 Mg, 357 SIG, 40 S&W, 45ACP, 45 GAP etc. If in doubt please contact Vicki.

D. The course will be outdoors and will entail some physical activity. Please dress appropriately with long pants, long sleeved shirt and sturdy shoes. You may get grubby so wear something heavy duty but inexpensive. Bring along an old sports coat or jacket so that you can practice your draw from concealment. Do not show up in sweat pants, shorts and a T shirt.

E. FYI. Our training text **The Farnum Method of Defensive Hand Gunning** is available from DTI Publications. In addition Vicki's two books **Teaching Women to Shoot**; a Law enforcement instructors guide and **Women Learning to Shoot** are available at DTI Publications.

Thanks again for joining us. I promise you will learn a great deal. Looking forward to meeting you at The Historic Elk Mountain Hotel.
